131	Torres De Casta	Dry Rose	Spain	19
128	Quivira	Mouvedre Rose	Sonoma, CA	33

***Argentina** - we were fortunate to visit the fabulous country of Argentina during our winter break....spending five days in the Mendoza area was both fascinating and enlightening for our continuing wine education....after touring the vineyards, visiting with the winemakers, and best of all, extensive tastings, we're pleased to offer these special wines, which represent the great value and, in our opinion, the best that Argentina has to offer.
